

# Lancing Prep Worthing

A Lancing College Preparatory School

Dear Parents

If you are thinking about independent education for your child as they leave Year 6, we hope that you might consider Lancing Prep Worthing. We would be delighted to welcome your son or daughter to our school in 2024. We work with children whose parents might be considering Lancing College, as well as other independent schools in our area, for 13+ entry.

We are a happy, family school with high educational standards and excellent pastoral care. We have just three school rules: Love Learning, Be Kind and Go out in the World and do Good, and this ethos runs through everything we do. We were inspected by the ISI in June 2022 and received their highest grading for both the academic and other achievements, and personal development of our pupils.

We have small class sizes, with two forms in each year group and we never combine year groups into a single class. We offer excellent pastoral care and our staff work hard to ensure that our children progress, both academically and in terms of personal development. Enrolments are already well underway for children to join us in September 2024. We would therefore like to take this opportunity to invite you to attend our Open Morning on 07 October 2023. Advance booking is essential, please click [here](#) to book places.

If you have any questions, would like some more information about Lancing Prep Worthing or would prefer to book an individual visit, please do not hesitate to contact me.

Best wishes  
Catherine Fauvel
