Lancing College Preparatory School at Worthing is an independent day school for girls and boys aged 2 to 13 years. It is based in a beautiful Georgian manor house on a site of 2 acres with space to run and play sport, in the Broadwater area of Worthing.

We nurture in all our pupils a love of learning to enable them to maximise their academic potential. Our broad and balanced curriculum is enriched with high quality creative and physical activities to provide a vibrant learning environment.

We have small classes, dedicated teachers and outstanding pastoral care.

In our most recent ISI inspection, we achieved excellent, the highest possible grading, in all 16 categories.

The inspectors said, 'This feeling of oneness between pupils and teachers informs the effective, mutually supportive learning environment promoted by leaders and staff.'
