

Letter to the School Community

We are aware that a number of you have written to the school following the announcement at the beginning of the week about the headteacher designate for the new East Worthing Primary School that will open in September 2024.

There have been expressions of support as well as a number who expressed personal concern about the announcement.

Decisions such as these are never easy and are achieved after exercising due diligence and careful consideration and we wanted to provide a bit more information here.

It is worth reflecting that this decision follows a detailed consultation with school leaders and the public to address the significant falling number of primary age pupils in Worthing.

There was a need to remove in excess of 950 primary school spaces. The decision was made, amongst a number of changes at other schools in Worthing, to amalgamate Chesswood Junior School and Lyndhurst Infant School into one through primary school on the Chesswood Road site.

Following that decision in July 2023, West Sussex County Council established a Temporary Governing Body for the new school consisting of Governors from both of the existing schools together with Independent Governors, one of whom assumed the role of Chair of the Temporary Governing Body.

One of the first tasks that the Temporary Governing Body undertook was to determine who the Headteacher would be for the new school. WSCC supported the Temporary Governing Board to appoint a headteacher for the new primary school through an appropriate consultation and selection process.

It follows that when there are two good Headteachers, leading two good schools, one good Headteacher will be successful and be appointed and one good Headteacher will not.

Mrs Diane South was that successful candidate and has been appointed.

This decision in no way reflects upon Mr Andrew Jolley and his leadership of Chesswood Junior School, for which the Chesswood Governing Body and, I'm sure, the wider Chesswood community continue to be extremely grateful.

It should also be recognised that there are a large number of other staff who work at Chesswood supporting the children along with the deputy headteacher Mr Jez Himsworth, who is now leading as Head of School. We are sure you will wish to continue giving them the parental support that typifies the Chesswood community. There are also the staff at Lyndhurst School who are involved in this amalgamation and they too will continue to support the children in their own school community as always.

Following this announcement Chesswood School has supported Mr Andrew Jolley to take a period of absence. I realise that there may be people who will wish to pass on their best wishes and thanks to him, and the Chesswood school office is very happy for you to send those messages to them so they can collate them and forward them on.

Please be assured that everyone at Chesswood and Lyndhurst schools, now and in the future, remain committed to the children within their schools and will continue to work hard on their behalf as we continue the journey of amalgamating Chesswood and Lyndhurst schools into becoming a new through primary school serving the East Worthing community.

There will be further events in the near future when you will hear more about the Primary School and we will seek to consult and communicate with you as plans develop.

Best wishes

Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

Junior Governors - 'Get up to pick up'

As part of their environment theme, Junior Governors arranged a day to consider our impact on the environment. We started with litter picking and tidying the school but considered the impact of looking after our wider community as well. Despite the impact of the weather on our playtimes, Junior Governors managed to host the 'Bin it to win it' competition - Kielder House collected the most litter and won the inaugural trophy - a special mention to Amber, who worked especially hard to drive the team to victory.

TT Rock Stars - England Rocks Competition

As part of our commitment to make maths exciting and high profile in our school and to celebrate Maths Week, we are taking part in a friendly competition involving schools in England.

The competition runs from 07:30 GMT **Tuesday 14th November 2023** to 19:30 GMT **Thursday 16th November 2023**.

It's all done online via play.ttrockstars.com.

Children can play in any gamemode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point.

The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)).

Winning classes in the school and in the competition as a whole will be the ones with the highest average.

Whilst children can play any game as part of the competition, we would recommend they focus on the games which are suggested as part of their regular homework – as these are the most beneficial game for each child.

To support player wellbeing, there is a daily time limit of 60-minutes per player.

In other words, each player can earn competition points for up to 60-minutes between 07:30 GMT and 19:30 GMT on 07:30 GMT Tuesday 14th November 2023 to 19:30 GMT Thursday 16th November 2023.

Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans.

We will be recognising the top scoring child in each class with a **£5 Amazon Gift Voucher** - whilst the highest scoring child in each year group will win an additional £5 voucher.

TT Rock Stars is a fun way for children to learn and become more confident with multiplication and division facts. If you have any doubt about which of the games on TT would be best for your child to use during the competition, please check the weekly year group Maths Fluency homework first. If you are still unsure, we would recommend the following, but please do speak with your child's teacher if you want any further clarification:

Year 3 - Garage or Jamming

Year 4 - Garage, Jamming or Studio

Years 5 and 6 - Garage, Studio, Festival, Arena or Rock Slam.

To help make sure children's progress is tracked accurately, please ensure children are using the latest version of the Times Tables Rock Stars. In order to do this please visit play.ttrockstars.com/reset to load the latest version in their device's browser or check in the app store for the device that the app they are using is the latest version. Thank you for your support. Good luck everyone!

Position: Teaching Assistant to commence as soon as possible

Hours: We are looking for TAs to support our vulnerable learners for either 17.5 hours a week (8.45 – 12.15 daily) or 27.5 hours each week. (8.45 - 3.15 with a 1 hour unpaid lunch) - term time only.

Pay scale: Grade 3 Point 3, term time only £5,359 pro rata'd salary (17.5 hours per week post)

Grade 3 Point 3, term time only £8,421 pro rata'd salary (27.5 hours per week post)

Contract: Temporary until the end of July 2024

Would you like to join a good school? Working with super staff, cheerful children, a creative curriculum, a helpful head, good governors, fantastic facilities and great grounds – now's your chance!

We are seeking an enthusiastic Teaching Assistant to join our team and provide good academic and pastoral support to our most vulnerable children.

The role will be varied and may include both class work and 1:1 work with children with complex needs if required – to be confirmed at interview stage.

We have a high level of need at Chesswood so being able to work using a relational approach with the children is essential.

If you are:

- Highly motivated and committed to providing vulnerable children with a high standard of additional support
- Patient, caring and kind, and able to help vulnerable children understand how to communicate with peers effectively.
- Confident in your ability to successfully lead learning with individuals and small groups of children, under the direction of the class teacher.
- Ready for a positive challenge that will require you to be resilient, imaginative and creative we would love to hear from you!

Please state on your application if you are interested in the 17.5 hrs contract or the 27.5 hrs contract.

A copy of the job profile, application form and safer recruitment form can be found on our school website: Or please contact Mrs Treena Beech on tbeech@chesswood.w-sussex.sch.uk by email as above for further details. *Applications will only be accepted on the correct application form.*

- Closing date 9am Wednesday 22nd November
- Interviews on Tuesday 28th November

Chesswood is committed to the safeguarding and welfare of our children and young people and expects all staff to share this commitment. The post will be subject to an enhanced DBS check, health check and satisfactory references.

Reading Helpers

We are looking for adults to help with reading in year 5 and 6. Ideally, helpers would be able to come in during the afternoon but any help at any time would be greatly appreciated.

This is a great opportunity to support children with their reading which will be a huge help to their education and enjoyment of reading throughout their life. Please contact Sylwia Switalska if you are interested: sswitalska@chesswood.w-sussex.sch.uk.

Dear Parents

Inset Day – Wednesday 15th November 2023

We will be holding an INSET day at Chesswood on Wednesday 15th November 2023 and plan to arrange childcare facilities, at school, for families who need it.

The details are as follows:

- Wednesday 15th November 2023 - 7:30am to 3:30pm to include breakfast.
- A range of activities will be provided throughout the day, such as art and craft, board and card games, sports, nature documentaries and general play.
- Children will need a packed lunch and a fruit snack. Breakfast will be supplied between 7:30am – 8:15am.
- The cost for the day will be £25.00 per child to be paid in full by Monday 6th November 2023.
- Numbers will be limited and based on a first come first served basis, for paid only bookings (non-refundable)

The children will be cared for throughout the day by members of our school support staff, all of whom are suitably qualified, DBS checked and hold first aid qualifications. Should your children have any allergies or medical conditions, please indicate on the form included.

Should you wish your child to attend, please book online via MCAS (in Trips and Events) or on the slip provided. Where two or more siblings are attending, we will offer a 50% reduction in fees for the second child - please contact finance@chesswood.w-sussex.sch.uk to arrange this. All bookings must be made no later than 6th November 2023, please.

Dear Parent/Guardian

Year 3 Visit by Zoolab – 29th September 2023

We are delighted to welcome Zoolab to Chesswood on **Friday 29th September 2023** to provide our children with an exciting learning opportunity where they will learn that:

- Some animals have skeletons and some don't
- Some animals have internal skeletons and exoskeletons
- All animals have muscles which enable them to move.

Zoolab will bring a selection of relevant animals into Chesswood which the children will observe and have the opportunity to handle if they would like to. Through this, our science topic will come to life and provide a real life context to further enhance their learning.

Year 3 Visit by Worthing Museum Outreach – 13th, 14th & 16th November 2023

As part of our 'Stones and Bones' topic we have arranged a visit from Worthing Museum who will run a workshop with the children. The workshop will help the children to understand how we know what happened in the past with a particular focus on archaeology and they will develop a better understanding of The Stone Age. Each class will have the opportunity to participate in a set of activities, which include handling artefacts, an archaeological dig and map work.

The total cost of the visits to the school is £10.00 per pupil (these will show as two separate trips on MCAS but can be paid for at the same time). We are asking parents/carers to make a voluntary contribution of £10.00 to cover our expenses and ensure that the visit can proceed. If you are not able to provide the donation of the full amount please contact our Finance Team on finance@chesswood.w-sussex.sch.uk.

Payments may be made online via MyChildAtSchool (MCAS) or by cash or cheque. If paying by cash or cheque please complete the attached slip and return it with your payment to the school office. If paying online you do not need to return the form. Please ensure all payments reach us by **Friday 22nd September 2023**.

Year 6 Bristol & Bath Residential Visit – 21st-25th October 2024

Dear Parent,

You may be aware, in Year 6 there is a residential visit to Bristol and Bath. The children spend five days away in the Bristol area and it is always an incredible success. The pictures below give some insight into the opportunities for learning, enjoyment, and the breadth of experiences throughout the week.

To enable us to arrange the trip, we will need to know by **Tuesday 28th November 2023** whether your child would like to join the trip. The minimum number of children we will be able to accommodate on the visit with the current arrangements will be 80 and a maximum of 93 children.

The children will be staying at the Youth Hostel in Bristol and amongst other things will be visiting Stonehenge, Aerospace Bristol, SS Great Britain, Roman Baths, Science Museum, as well as Indoor Climbing, Sailing and a meal at a local buffet restaurant.

We are holding a Presentation for parents to give you details of the proposed trip and answer any questions you may have. The date for the presentation is **Tuesday 14th November 2023 at 3.30pm in the new school hall** and we look forward to seeing you there.

DREAM – ASPIRE - ACHIEVE

The full presentation about the trip can be found on our website: [Chesswood Junior School - Year 5](#) (Home > Parents > Latest Correspondence > Current Academic Year Correspondence > Year 5)

The full cost of the visit is expected to be **£375-£400** (the final cost is dependent upon the number of children taking part), but this will be confirmed once numbers are known.

You can be assured that we seek to secure best value at all times but there may be increases on costs incurred on this year's visit or we may seek to make improvements that incur higher costs. The trip is priced at cost and the school does not make a profit.

A deposit of £50 must be made by Tuesday 28th November 2023, 3pm to secure your child's interest. The deposit can be made via MCAS in the 'Trips & Events' section.

If you would like your child to attend the trip but would be unable to make payment on MCAS by the deadline for any reason, please contact finance@chesswood.w-sussex.sch.uk and we will try and work with you to find a solution.

Please see below the payment schedule for the trip.

Payment dates	28 th November 2023	£50.00 refundable only if trip is cancelled
	28 th January 2024	£60.00
	28 th February	£60.00
	28 th March	£60.00
	28 th April	£60.00
	28 th May	£60.00
	28 th June	full payment must be made by this date

We are also looking for some additional parent helpers for this trip to help things run smoothly. If you have experience of taking children on residential trips or help run a Cub or Brownie Group or similar, we would be especially keen to hear from you. Parent helpers are not required to pay for themselves to assist on the trip, but their child's place will still be chargeable. Please contact finance@chesswood.w-sussex.sch.uk to show your interest.

You will receive an email confirming if the trip will be going ahead and that your child has secured a place after Tuesday 28th November.

Sports News and Upcoming Events

Y5/6 Rise Gymnastics Competition

Again, one of the only schools to enter 2 teams into an event the gymnasts all had to individually perform a floor routine and complete a vault. Each element was individually scored and then a team total was given.

Gymnasts: Toby, Mason, Ezgi, Orla, Jess, Maisie, Elizabeth, Rachel, Buddy, Thedini, Fin, Theo, Maja, Ana, Amelia, Iris and Elsa.

Y3/4 Girls Football Festival

13 teams took part in the festival at St Andrews, both our Red and Blue teams were up for the challenge of the matches.

In the 5 games the Blue team played they managed 4 wins and a draw with Pearl scoring 5 goals and Aubrey and Andi also getting in on the scoring action.

In the games for the Red team they battled hard, played well as a team and all enjoyed themselves trying out different positions on the pitch.

Pearl was voted Coaches player for the Blues and Jess for the Red team.

Blue Team: Holly, Pearl, Aubrey, Dixie, Laura, Andi, Nala, Alice

Red Team: Amber, Eva, Mila, Jess, Bella, Libby, Grace, Jaidee.

Upcoming Events:

- **Monday 13th** – Y5/6 Benchball Competition at Chesswood – MCAS sign up
- **Tuesday 14th** – Y5/6 Girls Football Tournament – St Andrews
- **Wednesday 15th** (INSET Day) – Rearranged Y3/4 Football tournament – St Andrews
- **Tuesday 21st** – Y5/6 Football Tournament – St Andrews
- **Wednesday 22nd** – Y4 Dodgeball Festival – Durrington High
- **Thursday 30th** – Y3/4 Basketball – The Angmering School

Out of School Achievements

What Parents & Carers Need to Know about MICROTRANSACTIONS

Microtransactions (often abbreviated as "MTX") are digital purchases made within an app or game to unlock extra features or additional content such as new levels. A popular sub-set of these are loot boxes, which contain a selection (usually random) of virtual items: from character skins to game-changing equipment like better weapons. Microtransactions (and loot boxes in particular) are now widespread in apps and games, but concerns persist that they normalize gambling and can foster addictive behaviours – especially among younger players.

WHAT ARE THE RISKS?

GATEWAY TO GAMBLING?

Microtransactions have been criticised for promoting gambling-adjacent behaviour in children. Research has also suggested that exposure to the loot box system could affect the likelihood of a young person suffering gambling harms later in life: children who purchased or used loot boxes in the last 12 months were found to be more likely to have gambled during the same period, as well.

ADDICTIVE NATURE

Microtransactions (and loot boxes especially) could lead to young people displaying compulsive behaviours. Loot boxes are designed to be addictive, and the sought-after prizes they contain are dispensed at random. This means that young gamers might not get what they want straight away, causing them to spend more money as well as additional time gaming.

PAYING TO WIN

In many popular games (the FIFA series being a notable example), microtransactions make it far easier to succeed – which is a concern because children can often find it difficult to keep track of their spending. Once a child starts making in-game purchases, they may continue buying to keep up with their friends and other players – sometimes without recognising the mounting real-world cost.

EXCLUSIVE CONTENT

DATA COLLECTION

To allow a young person to complete microtransactions, many app and game developers collect personal data such as their name, address, email, geolocation information, photos, payment details and so on. Even if this data remains secure (which is by no means guaranteed), there's always the chance that it will be used – and possibly sold on to third parties – for marketing purposes.

AFFECTING DAILY ROUTINE

Online games tend to revolve around repeated loops of activity that can affect purchasing decisions and potentially influence children's spending patterns. This could lead to your child not only handing over more money but also adjusting their daily routine to match the game's schedule – potentially impacting more important elements of their day, such as homework and family time.

SATELLITE SPENDING

If you've linked a payment method like a debit card or a PayPal account to your child's game or app, it's wise to keep a close eye on their microtransactions to ensure they aren't racking up a large bill. Letting a child have access to your card (if they're still too young to have their own) or other means of payment could also lead to them spending beyond the apps and games they normally use.

Advice for Parents & Carers

DO YOUR RESEARCH

It's important to have a serviceable idea of whether the games your child plays use the loot box system (even if it goes by a different name) or include the option of buying items, equipment and so forth. If so, it's crucial to help your child understand that this costs actual money, and that they shouldn't feel pressured into making any purchases.

CHAT ABOUT 'CHANCE'

It may help to explain to your child that many microtransactions involve an element of chance: they could pay money and still not get what they want in return. Emphasise that – while not usually costing much individually – these in-app and in-game purchases can soon add up. Talk to your child about how spending their money in a game or app means they have less to use in the real world.

(GIFT) CARDS ON THE TABLE

Investing in an in-game currency gift card can be a useful way of helping your child get to grips with budgeting. If you buy, say, a £10 V-bucks Fortnite gift card, monitor how long it takes them to spend it. When they come to you asking for more, you could make it the starting point for a conversation about how quickly that money went and how they could earn their next gift card.

STOP SPENDING AT SOURCE

You might decide that the wisest strategy is to remove the potential for spending money on microtransactions. If so, most games, apps and devices have options in their settings to help you manage what your child can spend – or to disable that function altogether, preventing them from buying additional items for their games or boosted functionality for certain apps.

WATCH FOR THE SIGNS

If you're worried that your child's passion for a particular game or app may tempt them into habitual spending on microtransactions, it's important to remember the indicators of addictive behaviour. Irritability, a lack of concentration and prioritising recreational screen time ahead of homework or mealtimes could all be signs that you need to have a conversation about a more balanced routine.

Opportunity for parents and carers

Opportunity for parents and carers

Parenting your child in anxious times – a five-week course for parents and carers of primary children.

Dear parent/carer,

We are contacting you from Thought-Full, the West Sussex Mental Health Support Team in Schools, to offer you the opportunity to attend our parent support group focussing on supporting children with fears and worries.

The sessions are suitable for any parents who would like some guidance and ideas about how best to support their child's emotional wellbeing but would be particularly suitable for those whose children experience fears and worries.

The five sessions will take place at school and will be led by mental health professionals who are experienced in supporting children and families with emotional wellbeing and mental health.

Thursday 22nd February @ 9am

Thursday 29th February @ 9am

Thursday 7th March @ 9am

Thursday 14th March @ 9am

Thursday 21st March @ 9am

The five sessions will consist of:

1. Understanding anxiety - an introduction to the biological function of anxiety.
2. Supporting your child with anxiety and worries: 1 – this session explores what keeps anxiety going and the strategies you can use to support your child.
3. Supporting your child with anxiety and worries: 2 – further discussion of approaches to support an anxious child including our use of language and the PACE approach (playfulness, acceptance, curiosity and empathy).
4. An introduction to emotion coaching – a step by step approach to helping your child to learn about emotions and how to deal with them.
5. Encouraging resilience – exploring how we can support anxious children to build their resilience and grow into adults who can cope with life's ups and downs.

The sessions will be informal with plenty of opportunity for discussion, asking questions, and sharing your ideas and experiences with other parents. There may be different strategies you would like to try out at home after the sessions, but there is no set homework and we would just ask that parents and carers come with an open mind and a willingness to look at things from new perspectives.

If you would be interested in attending the course, please contact Sally Harvey for details of how to secure your place.

sharvey@chesswood.w-sussex.sch.uk

Best wishes,

Lorraine Osmend – Mental Health Advisory Teacher.

What do other parents say about the course?

"That it really opens your eyes to what can cause it and the things that surround anxiety."

"Attend! It was so useful & informative."

"Informative and learnt a lot about how to use various techniques to help children"

"Open, honest, straightforward communication. Good practical advice – friendly, knowledgeable trainers."

"Very worthwhile"
