## Coding Competition

"Well done to all of the amazing entries for the Chesswood Coding Competition this year. It was fantastic to see and try out all of your brilliant computer games, we were so impressed with all of them! We are proud to announce the winners as: Aubrey 3EL, Seren 4UO, Skye 5ML and Toby 6CL"

Congratulations to the 64 Bright Sparks from Years 5 and 6 who participated in this year's Primary Maths Challenge in November.

Children were selected based on their amazing test performance in the summer term of the previous school year and/or based on their brilliant Maths work so far this school year.

During the challenge, they needed to complete 25 increasingly challenging Maths problems.

All of the children showed a tremendous attitude and put in a super effort which resulted in some very high scores!

Children have been awarded their certificates in assembly this week. Children have been awarded either a bronze, silver or gold award certificate depending on how high their score was.

An extra special congratulations to our gold award winners - Ming-Kai from 6JS and Jithaesh from 6JS.

You can find a full list of winners by visiting our Maths Curriculum Celebration website page. Please scan the QR code to access the page:

## Year 6 Bristol & Bath Residential Visit –30<sup>th</sup> September-4<sup>th</sup> October 2024

Dear Parent,

You may be aware, in Year 6 there is a residential visit to Bristol and Bath. The children spend five days away in the Bristol area and it is always an incredible success. The pictures below give some insight into the opportunities for learning, enjoyment, and the breadth of experiences throughout the week.

To enable us to arrange the trip, we will need to know by **Tuesday 28<sup>th</sup> November 2023** whether your child would like to join the trip. The minimum number of children we will be able to accommodate on the visit with the current arrangements will be 80 and a maximum of 93 children.

The children will be staying at the Youth Hostel in Bristol and amongst other things will be visiting Stonehenge, Aerospace Bristol, SS Great Britain, Roman Baths, Science Museum, as well as Indoor Climbing, Sailing and a meal at a local buffet restaurant.

We are holding a Presentation for parents to give you details of the proposed trip and answer any questions you may have. The date for the presentation is **Tuesday 14<sup>th</sup> November 2023 at 3.30pm in the new school hall** and we look forward to seeing you there.

## Y5/6 Football Qualifier

The team played very well in their competition on Tuesday evening winning all 3 of their group matches with Leon scoring twice and Dylan adding another goal. The defence was solid and Harrison made some fantastic saves in goal.

Into the quarter finals the team could not be separated from Durrington after extra time and went to penalties unfortunately their goalkeeper saved a couple of our spot kicks.

Although the team didn't lose or concede a goal in game time they went out of the competition.

Team: Harrison, Bertie, Leon, Vincent, Toby, Dylan, Freddie and Victor

## Y5/6 Tchoukball – Giving It a Go!

It was the first ever dodgeball festival run by Worthing Schools Sports Association and was a learning curve for all.

Honesty was the key word of the afternoon and Sybil was awarded the honesty award for our team.

## Top Tips for Safer Online Shopping on

# BLACK FRIDAY AND CYBER MONDAY

Black Friday and Cyber Monday have become established as two of the year's biggest shopping events, giving consumers the opportunity to snap up a stash of stunning bargains. While this is generally good news, of course, the resultant retail frenzy can lead to people dropping their guard – especially online. In previous years, a seasonal surge in cyber-crime has seen schemes such as phishing emails and credit card scams being unleashed on unwary buyers. Our guide has some essential pointers on keeping your details – and your money – safe while you shop.

### ENSURE A SITE'S SECURE

Before inputting sensitive information (like your card details) into a website, check that the site's secure. The key thing is to look for a padlock symbol in the address bar and check that the URL begins with "https://" – the "s" indicates that the web address has been encrypted with an SSL certificate. Without that, any data entered on the site could be intercepted by criminal third parties.

### TRUST YOUR INSTINCTS

If a deal seems too good to be true, then it probably is. Be especially wary if a site offering unbelievable discounts doesn't look professional (for example, if it's covered with pop-up adverts or it looks particularly outdated) – this often serves as a red flag that the seller might not be entirely trustworthy. Minimise risk by sticking with well-known, reputable retailers instead.

### REVIEW BANK STATEMENTS

Even if you've followed all our tips, it's probably worth checking your next bank statement for any unusual transactions. Criminals know that on Black Friday and Cyber Monday, lots of people make numerous purchases online: they're hoping that any stolen money will get lost in the crowd of other transactions. If you see a payment or payee you can't identify, raise it with your bank straight away.

### BEWARE OF SUSPICIOUS EMAILS

Black Friday and Cyber Monday often bring a significant spike in phishing emails, as criminals use the events' sense of urgency as cover for stealing personal information. Even if they look legitimate, be wary of emails requiring you to do something unusual or suspicious: providing your personal details in exchange for access to last-minute deals, for example, or clicking on a link to an unfamiliar site.

### CHECK IT'S THE REAL DEAL

It's not just cybercriminals you need to be wary of. Research has shown that some online retailers increase the price of certain items in the weeks before Black Friday and Cyber Monday – enabling them to then advertise "discounts" (which, in reality, have simply restored the cost to normal levels). Use an online price comparison tool to verify whether these "reductions" truly equate to a saving.

### MINIMISE MICROTRANSACTIONS

Black Friday and Cyber Monday promotions extend to digital items as well as physical ones. Some gaming companies will offer discounts on in-app and in-game microtransactions such as loot boxes. If you're concerned about how much your child might spend on these upgrades, you can restrict their ability to make purchases (via their device's settings) or remove any linked payment methods.

### SET STURDY PASSWORDS

A strong, unique password is one of the most straightforward ways to protect yourself from cyber-crime. As most of us have multiple online shopping accounts, it can be tempting to use the same password for them all – but this puts your personal data at greater risk. You could try using a password manager to create a different, robust password for each online retailer that you visit.

### DITCH THE DEBIT CARD

Where possible, it's safest to shop online with a credit card (as opposed to a debit card) because it offers additional protection. If a purchase is made fraudulently on your credit card, there's a fair chance of your bank reimbursing you. Should criminals obtain your debit card details, however, they could empty your account in moments – and it can be difficult to recover your money.

### RESIST THE INFLUENCE

Recommendations from social media influencers are another thing to remain vigilant for on Black Friday and Cyber Monday. While many of these will be legitimate, remember that influencers are often paid to promote products – and to publicise deals that aren't quite as amazing as they might seem. Don't feel pressured into buying purely on their advice; look at everything with a critical eye.

### TAKE CARE ON SOCIAL MEDIA

Social media scammers are more active on Black Friday and Cyber Monday, as they know people are hunting for deals online. These scammers tend to concentrate on platforms such as Facebook and Instagram, posting malicious links that can compromise shoppers' personal details. Other scammers, meanwhile, falsely advertise products in an attempt to trick users out of their hard-earned cash.
