Important Information

Parents' Evening and Reports

We hope you have booked an appointment with your child's class teacher at our parent consultation evening events. During these appointments, teachers will be sharing your child's most recent achievement report. These are a much simplified report, sharing the latest assessment data from the end of last term. They will also share key contextual information relating to how your child is getting on in school. Appointments are available to book via MCAS. Please go to Parents' Evening section to book your selected day and time. If you do not have access to My Child at School (MCAS) please contact the school office at office@chesswood.w-sussex.sch.uk. Following the parent evenings, reports will be placed in the parent portals.

Celebration

Superstar Readers in Year 6

These are our recent Year 6 reading prize winners. Children who achieve above their target are entered into a prize draw where they have a chance to win a book from our bookshop. Well done to all who exceeded expectations - an excellent achievement.

Sports News Year 3/4 Basketball Southern Area Finals

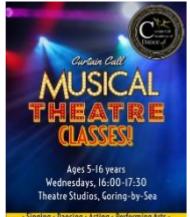

Both teams found things a little tougher in the Southern Area Finals of the Y3/4 Basketball but even to get to this level is a massive achievement and they all gave their best. The teams finished 5th & 6th out of the 10 teams attending.

Red Team: Emily, Oscar, Tya, Zach, Zeynel and Jasper

Chesswood Champions – Unsung Heroes

At Chesswood we have been celebrating 'Unsung Heroes' – these are children who may simply demonstrate being superstars in an area that isn't always recognised. It is our belief that all of the amazing children at Chesswood deserve to be celebrated (especially for great attributes that may sometimes go un-noticed) and we will be continuing this theme over the coming weeks and months.
