Dear parents and carers,

Welcome to our second March Newsletter! As you can see from the above headings, we now have our name, logo and vision and value statements. We have also just agreed the uniform, but this is with the suppliers at the moment being designed and costed up. Hopefully this will be ready to share with the school community after the Easter holidays.

Vision and Values

I would like to extend my thanks to the parents who attended the work party for this piece of work and contributed to the creation of what is going to be the building blocks of the “Homefield Way”.

All staff and children from across both sites contributed to its formation, by discussing what attributes they felt were important to show, and develop, as a Homefield Learner.

Aiming high together

We felt that “aiming high together” is about each learner at Homefield having the highest aspirations for themselves and others, but also about Homefield being a community where we support each other to be the very best we can be.

Homefield Primary and SSC Core Values

Our 5 Core Values will underpin our curriculum. They will also give us our emotional literacy and vocabulary. Pupils will be encouraged to explore the values during assemblies, PSCH lessons and activities, and during their learning time. They will also dovetail into our school rules and behaviour expectations – the ‘Homefield Way!’ – how we do things in our school. This helps to

create an inclusive ethos of mutual respect and a responsibility for ourselves and others – part of being part of the Homefield family.

| Our 5 Core Values | Key vocabulary |
|------------------------------|---|
| <i>Respect</i> | Kindness Courtesy Consent Consideration Trust Empathy Appreciation Gratitude Caring Compassion Equality |

| <i>Resilience</i> | Perseverance Hope Courage Ambitious Adaptable Determination |
| <i>Creativity</i> | Problem solving Curious Excellence Resourcefulness Collaboration |
| <i>Responsibility</i> | Opportunity Independence Moral responsibility Sustainability and Environmental Honesty Reflection Healthy body and mind Safety |

Our Values are also key drivers for our ethos – our Mission and Vision statements. These are inclusive of our whole Homefield community. Our curriculum will be underpinned by our mission, vision and values and are inclusive of all our learners from the Early Years to the SSC to the end of Key Stage 2.

As we continue to develop our curriculum, and policies and procedures these will be shared with you via the Newsletter and on our website when it is ready to go live.

We wish you a lovely Spring break and look forward to sharing even more developments next term.
