

School Uniform

It is a requirement that all children adhere to the uniform standards set out below at all times during the school year.

We ask that you inform the school office by telephone or in writing, if for any reason the appropriate school uniform cannot be worn. We do recognise that there may be difficulties due to finance, if these occur please contact the Head Teacher who will be happy to discuss solutions.

*ties not available at the time photographs were taken!

Failure to wear uniform or inform us of difficulties will result in the following:

- On the first occasion the uniform issue will be pointed out to the child – the child will then need to have the correct uniform by the following Monday. This flexibility will only be given once. Any infringements after this time will result in:
 - Loss of playtimes – morning and lunch until correct uniform is worn.

Please label every single article of clothing your child wears clearly and permanently.

Affordable name labels are easily available on the internet e.g.

<http://www.wovenlabelsuk.com/> or <http://www.easy2name.com/> or <https://www.mynametags.com> or <http://www.mine4sure.com/>

Without your child's name in their clothing they are unlikely to get it back when they lose it and they are likely to lose it at some point!

The uniform can be purchased from Broadwater Sports – this was the most cost effective option, following comprehensive research of suppliers.

School Brochure

Traditional black shoes or black trainers with black laces or black Velcro strap.

No other colour flash, stripe or manufacturers label is permitted on the side of the sole or the main shoe (the upper).

None of the shoes below are permitted as they have white soles, manufacturers labels or are fabric based upper.

Traditional Black school shoes or black trainers – no heels

No boots are permitted at any time during the year – as a guide nothing above the ankle e.g.

The only exception to this would be when there is snow lying on the ground.

Grey socks only

Grey socks (white socks with Gingham summer dress)

Grey tights or red tights (tights must be traditional wool school tights)

Hijab – Children are welcome to wear a Hijab/Headscarfe or Head covering as part of religious observance. The hijab must be plain navy only.

Luggage

Space is a premium within school, especially as the school moves closer to capacity with 720 children and in excess of 90 staff. Children need to fit their luggage within one locker – 40cm x 40cm x 25cm:

- Coat
- Book Bag (Chesswood brand optional)
- PE Kit Bag (Chesswood brand optional)
- Lunch Box – if applicable

Equipment for Learning

Your child will need to bring some of their own items of equipment – **please make every reasonable effort to name all equipment.** The basic needs are as follows:

Essential

- Small Pencil Case
- Handwriting Pen – **Blue only** as mistakes with blue pen are more forgiving than black. (Children are not permitted to use biro). Once your child is a competent and fluent writer, they are encouraged to write with fountain pen – again this must be blue
- HB pencils – either traditional pencil or pencil with changeable leads
- Pencil Sharpener
- 30 cm ruler
- Rubber – please use a white rubber to avoid creating coloured marks on child's work
- Water Bottle – approximately 0.5l bottle with sealable top. This should be taken home and cleaned daily. We would advise having more than one bottle available in case of loss or damage. The water bottle will be on your child's desk throughout the day and they are encouraged to drink throughout the day.

Optional

- An A4 zipped wallet is useful for transporting work to and from school.
- Colouring pencils (not felt tips)
- Highlighter pens
- Coloured gel pens
- Glue Stick – e.g. pritt stick style

All stationery items are available for purchase from the children's market stall in school from September 2015.

Sports and Play Equipment

The school maintains a large stock of sports and play equipment for outdoor and indoor play. Occasionally the sports and play equipment gets broken, lost, stolen or launched into neighbouring properties or the train line – this is upsetting to children and can lead to avoidable conflicts. As a result, children must not bring any play or sports equipment into school unless this is on the request of their class teacher or other person in authority within the school.

Mobile Phones

- Mobile phones are permitted within school but these must remain switched off once a child is on the school grounds until they leave school grounds.
- They must also remain switched off if the child is off the school premises during the school day and engaged in school business e.g. swimming.
- The security of the phone is a child's responsibility. To lessen the risk of theft the phone may be kept on a child's person as long as, in the opinion of the child's teacher it does not distract the child or others from the business of learning.

Failure to respect the rules above will mean the phone will be confiscated and will only be handed back to the child's parent. If a child persistently challenges the rules above they will not be permitted to have a phone on the school premises.

Make Up

- Make up is not permitted for any child. This includes nail varnish, eye liner, mascara, foundation, lipstick etc.
- Tattoo transfers are not permitted
- Transparent lip balm is permitted and encouraged.

If a child is thought to be wearing make up, they will not be allowed out to play until it is completely removed by them.

Jewellery

We encourage all children to wear a watch for school – analogue or digital.

Earrings

We strongly recommend parents should allow their children to pierce their ears at the beginning of the summer holiday only (End of July). Children may wear a single or a pair of stud type earrings only – no loops or dangly earrings are permitted due to risk of catching.

For safety reasons, we expect children to be able to take out their own earrings for PE and games. In exceptional circumstances, tape will be provided when a parent has not supported the school policy and a child is unable to remove them independently – in this instance we would expect the parent to train their child to remove the earrings in the shortest period possible (i.e. by the following Monday). This ensures children are fully able to participate in PE at the beginning of September (i.e. the earrings can be removed

without the ear closing up).

Other jewellery including necklaces and bracelets are not permitted at any time (other than medical emergency notification bracelets and jewellery worn as part of religious observance).

Hair

Haircuts should be sensible – tram lines, mohicans and dyed hair are not permitted (this includes dip-dying). Parents are expected to fully support this rule and not allow their children to receive such haircuts.

Within PE and science lessons, children with long hair (touching shoulders) must wear their hair tied back or plait it for reasons of health and safety. A child must be able to tie their own hair back and should have a hair band to do so.
