Dear Parents/Guardians,

As you are aware, during the week of the Lodge Hill visit, your child will be in school on Monday 3<sup>rd</sup> April and Tuesday 4<sup>th</sup> April. During these days your child will be in school and will be taking part in multiple fun activities over the day's using recycled objects.

For this, it would be useful if you could provide your child with clean, recyclable objects that could be used for building models and sculptures. Objects such as cardboard boxes, milk cartons and bottles, straws and newspaper will be used in the sessions and will be required to be brought into school over the next few days. If they could please be brought to the area outside 3GS or 3HG that would be appreciated.

The days will provide fun activities for your child to experience team building opportunities as well as allowing your child to be creative and active in school.

We look forward to seeing what your child will be able to creatively produce.

Thank You

Yours Sincerely,

Mr Reed and Miss Rhodes

Year 3
