Dear Parents,

Real Love Rocks

Next week, we will be starting the Real Love Rocks programme. This programme has been developed by children's charity Barnardo's to promote healthy, consensual, safe relationships amongst children and young people.

We will be promoting the importance of feeling respected, cared for and safe in all our different relationships. Real Love Rocks is divided into the following four sections:

- Relationships
- Grooming
- Keeping safe
- Online safety

Following the sessions, your child may have questions based on the issues raised. Please see attached the Real Love Rocks parent information sheet, provided by Barnardo's, for more information.

If you have any further queries, please contact your child's class teacher.

Thank you in anticipation of your support.

Yours sincerely,

Libby Smith
