September 2019

Dear Parent/Guardian

In order to enhance our "To The Stars" topic, Year 5 will be visiting the Observatory Science Centre at Herstmonceux on **Tuesday 1st October 2019.**

We will need parent helpers for this trip. If you are able to help please either let your child's teacher know or email kbrown@chesswood.w-sussex.sch.uk.

Pupils will also have the opportunity to visit a pop up planetarium. It will be erected in the school hall for the day and classes will view the presentations and be able to discuss and ask questions about the information on show.

The inflatable dome runs state-of-the-art professional planetarium software delivering bespoke sky tours and short films about the formation of the universe and space exploration tailored to meet the year 5 learning outcomes. The presenters are professional and aim to make science clear, fun and inspiring for all.

This visit will take place on **Friday 20th September 2019.**

The total cost of the both visits is **£17.00**. Regrettably, we are no longer able to subsidise these visits for all pupil premium children (currently entitled to free school meals or have been entitled within the past six years or adopted from within the United Kingdom). All parents will therefore need to make a full voluntary contribution to ensure that the visit can proceed. If you are not able to provide the donation of the full amount please contact our Finance Administrator, Kate Brown, on kbrown@chesswood.w-sussex.sch.uk.

Payment may be made online via SchoolsBuddy or by cash or cheque. If paying by cash or cheque, please complete the attached slip and return it with your payment to the school office. If paying online you do not need to return the form. Please ensure all payments reach us by **Friday 20th September 2019**. We do apologise for the shorter than usual notice but wanted to get our new topic off to an exciting start.

Yours sincerely

Chris Yelling
