WALT: Discuss the theme of theft through the eyes of a character in a book.

Questions for Hugo

- Why did you steal food and drink from the shops in the station?
- Why did you steal from the Toy Booth instead of asking Georges Melies for the parts?
- Why did you choose to work for Georges Melies for so many days rather than just steal what you needed on the first day you worked?
- Would you have thought about stealing the parts you needed for the automaton when your father was still alive?

Questions for George Melies

- How did you feel about Hugo stealing from your Toy Booth?
- Why did you let Hugo work for you if you knew he was a thief?
- You stole Hugo's notebook from him, does that mean you are a thief too?
