## Weekly Competition / Challenge

NHS Nightingale (a temporary hospital that has been set up in London to help people with the Coronavirus) would like to share decorations made by children using the #RainbowsForNightingale – they are working on a way to receive decorations to put up. Closer to home, the staff room of Worthing hospital's children's ward needs your help too. They would love to receive drawings and paintings of rainbows to help decorate the walls. The images need to be no bigger than an A4 piece of paper so that they can be laminated at school.
