

**School Admission Policy
Determined Admission Arrangements/Oversubscription Criteria for
Community and Controlled Schools in West Sussex
2020/2021**

Oversubscription Criteria for Community and Controlled Schools

- These are the criteria that apply to the majority of community and voluntary controlled schools.
- The tie-break used is a straight line distance. All distances are measured by a straight line from the school to the child's home address, using Ordnance data within the curtilage of the property.
- Where priority is given for a sibling, brothers or sisters may be half or step-siblings (by marriage or co-habitation) or foster siblings but must be living permanently at the same address.
- West Sussex County Council only gives sibling priority if the older sibling will be at the school at the time of application and will still be in the school at the time of admission; or if the sibling will be attending the linked junior school in September 2020. **It is the parent's responsibility to tell the Pupil Admissions Team about sibling links in their application.**
- Siblings of children who have been refused a place at their catchment school because the school was oversubscribed at the point of application will be treated as living in the catchment area for the school allocated when they apply for starting school. This will only apply if an application was made for the catchment school and the place refused in writing. **It is the parent's responsibility to indicate these circumstances in their application.**

Variations to West Sussex County Council's oversubscription criteria for Community and Controlled Schools

Horsham Schools

There are three schools in the Horsham Community Designated Area. The oversubscription criteria for Tanbridge House School (co-educational), The Forest School (boys) and Millais School (girls).

The Forest School and Millais School share a catchment area. Children living east of the north-south line are in the catchment area for The Forest School or Millais School. Children living west of the north-south line are in the catchment area for Tanbridge House School. The maps in this booklet showing the Horsham Community Designated Area and the north-south line are for illustration purposes only.

Any child with an Education Health and Care Plan (EHCP) issued under the Children and Families Act 2014, naming the school will automatically be admitted to that school, under section 324 of the Education Act 1996.

1. Children looked after (children in public care), children who were previously looked after who leave care under a special guardianship, residence or adoption order. Evidence must be provided;

Worthing

Responsibility for admissions to Davison CE (controlled) High School for Girls rests with West Sussex County Council. Parents wishing to apply to Davison CE (controlled) High School for Girls on denominational grounds should complete the Supplementary Information Form available on the WSCC Admissions website to confirm their church attendance.

Davison CE (controlled) High School for Girls

Any child with an Education Health and Care Plan (EHCP) issued under the Children and Families Act 2014, naming the school will automatically be admitted to that school, under section 324 of the Education Act 1996.

1. Children looked after (children in public care), children who were previously looked after who leave care under a special guardianship, residence or adoption order. Evidence must be provided;
2. Girls who need a place at the school on exceptional and compelling social, psychological or medical grounds. Evidence must be provided;
3. Girls, with a sister already at the school who will still be there at the time of admission;
4. Girls who attend linked Church of England Primary schools in Worthing and Shoreham* whose parents are regular** worshippers at a Christian Church***
5. Girls resident in the Borough of Worthing.
6. Girls not resident in the Borough of Worthing, whose parents are regular** worshippers at a Christian Church***
7. Girls not resident in the Borough of Worthing.

*The linked Church of England Schools are West Park CE (controlled) Primary School, Broadwater CE (aided) Primary School, Heene CE (aided) Primary School, Goring CE (aided) Primary School and St Nicolas & St Mary's CE Primary (aided) School in Shoreham.

** Regular means attending church at least once a month for the period of two years prior to application. Confirmation will be required from a priest or minister on the supplementary information form available on the website.

***A Christian Church is defined as one being a full member of Churches Together in Britain and Ireland or of The Evangelical Alliance.

Steyning Grammar School

The Published Admission Number (PAN) for Steyning Grammar School is 376. This is the total number of pupils the capacity of both sites of the school with 166 pupils on the Rock Road (Storrington) site and 210 pupils on the Church

Street site(Steyning) site. **Applications are made for the school, not a specific site and parents should note that their child may not be allocated a place at the closest site to their home address, as per the site allocation criteria.**

How Places are allocated at Steyning Grammar School

Oversubscription Criteria for Steyning Grammar School

Places at Steyning Grammar School will be allocated in accordance with the following over-subscription criteria:

Any child with an Education Health and Care Plan (EHCP) issued under the Children and Families Act 2014, naming the school will automatically be admitted to that school, under section 324 of the Education Act 1996.

1. Looked after children (children in public care) and children who were previously looked after.
2. Children who need a place at the school on exceptional and compelling psychological or medical grounds. Evidence must be provided.
3. Children who live in the catchment area with brothers or sisters already attending the school and who will still be there when the child starts.
4. Other children who live in the catchment area.
5. Children who live outside the catchment area with brothers or sisters already attending the school and who will still be there when the child starts.
6. Other children who live outside the catchment area.

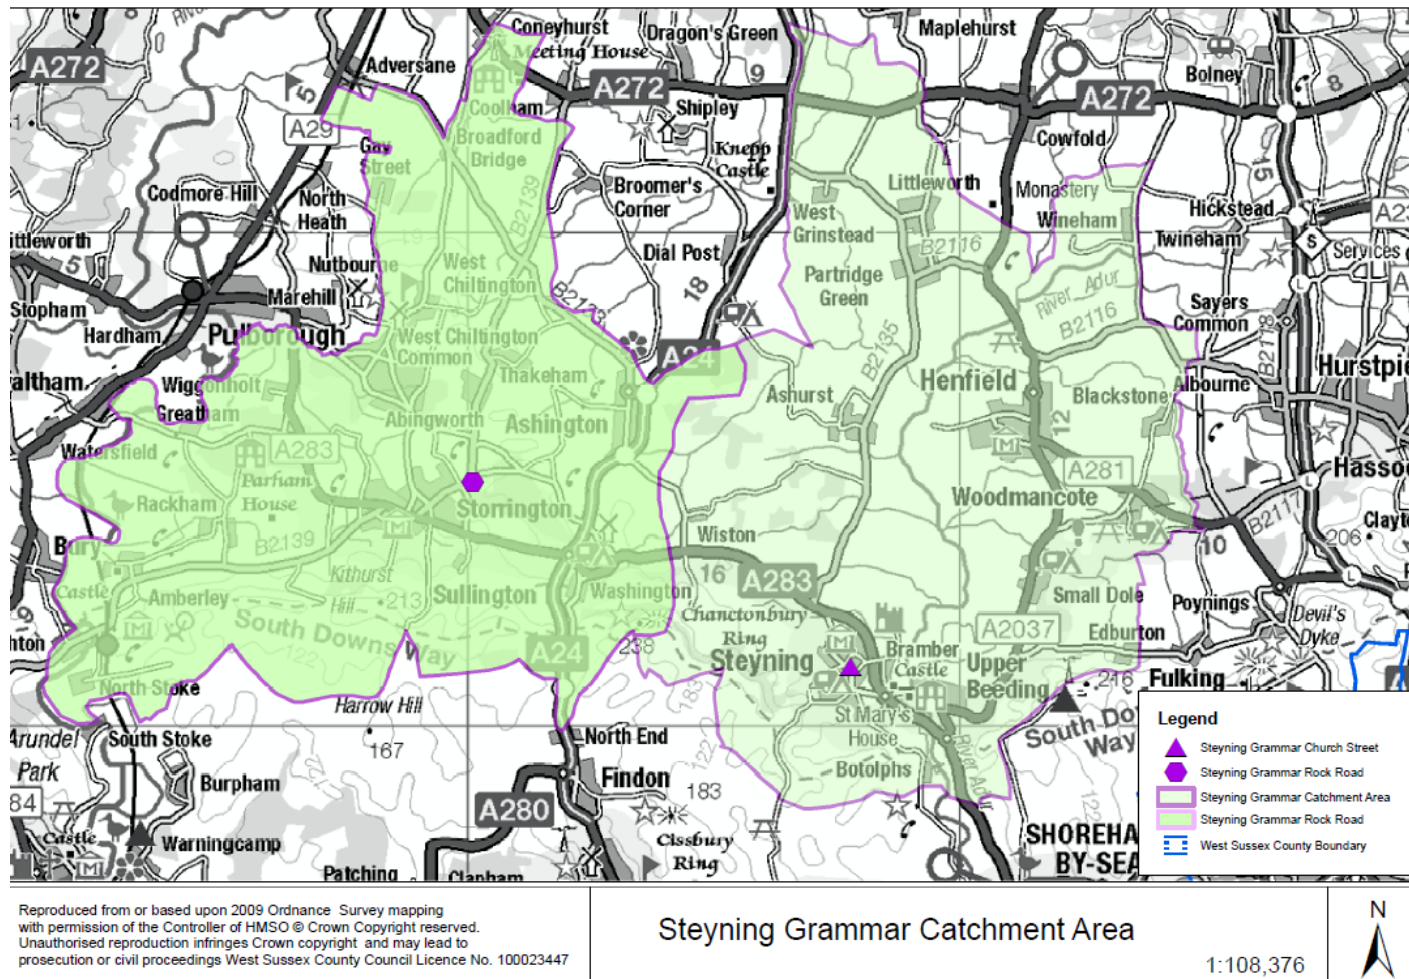

The tie-break used within categories is distance. All distances are measured by a straight line from the school to the child's home address, using Ordnance Survey address point data within the curtilage of each building.

For in area pupils the measurement will be taken from the Campus site serving the pupil's home address – i.e. distances to addresses in the Rock Road Storrington Campus part of the Steyning Grammar School catchment area will be measured to the Rock Road Campus and distances to addresses in the Church Street Campus part of the Steyning Grammar School catchment area will be measured to the Church Street Campus. For Categories 5 and 6 above, the distance to the nearest of the two Campuses will be used.

There are two campuses that cater for the Year 7 intake. Children who live in the Rock Road Campus part of the catchment area will be allocated the Rock Road Storrington Campus. The catchment area for Steyning Grammar School is divided into two as there. Children who live in the Church Street Campus part of the catchment area will be allocated the Church Street Campus. If either site fills from pupils who live within the catchment area they will be allocated the other site before any out of catchment area pupils.

Successful applicants resident outside the catchment area for Steyning Grammar School may be allocated a place at either campus. Places will be allocated subject to capacity in each campus. Out of catchment area pupils will be offered a place at the nearest campus to their home address, where availability allows.

Where the offer of a place at Steyning Grammar School is made from the school's waiting list, the site offered will be subject to the campus capacity limits.

The left hand side with the purple hexagon shows the Rock Road part of the Steyning catchment area and the Rock Road Campus.

The right hand side and the purple triangle show the Church Street part of the Steyning catchment area and the Church Street Campus.

Scheme of Coordination.

A Summary of the Starting School/Transfer Process for Schools in West Sussex for 2020/2021

1. On the website, the Pupil Admissions Team provides parents with information on West Sussex schools and how to apply, online or on paper.
2. Parents may obtain supplementary information forms (SIFs) directly from own admission authority schools, where necessary, or from the Local Authority (LA).
3. The Pupil Admissions Team receives all applications. Application forms sent directly to schools are passed to the Pupil Admissions Team. All applications received by schools should be date stamped. Those received after the closing date should be date stamped and marked 'Late'.
4. Parents may return the supplementary information form (SIF) directly to the school concerned or to the LA. The school is required to inform the Pupil Admissions Team of any forms it receives to check there has been a valid application made.
5. The Pupil Admissions Team passes a list of the applications for voluntary aided and foundation schools and academies to the relevant admission authority, and out of county schools to the relevant council.
6. All admission authorities order all applications against their oversubscription criteria.
7. Ordered lists of applications are returned to the Pupil Admissions Team as specified on the agreed timelines.
8. Late applications for community and voluntary controlled schools are processed after those received by the official closing date, unless it has been agreed to treat them as having been received on-time. Late applications to voluntary aided or foundation schools or academies will be passed to the relevant school(s) for late consideration and returned for an offer to be made by the LA.
9. The Pupil Admissions Team reconciles all lists and determines the final offer. If a child can be offered a place at more than one school, he/she will be offered a place at the school ranked higher in the preferences on the application. If none of the preferences can be met, a place will be offered at the catchment school, where possible, or the nearest school to the child's home with places available, if the catchment school is full. If the nearest school with a place available is a voluntary aided or foundation school or academy, the Pupil Admissions Team will agree with the admission authority for the school to offer places to those whose preferences could not be met.

10. For secondary and junior transfers, if an application has not been received a place will be offered at the catchment school, where possible, or the nearest school to the child's home with places available, if the catchment school is full (as in paragraph 9, above).
11. The Pupil Admissions Team notifies schools of offers to be made. This information must remain confidential until after the Pupil Admissions Team has written to parents on offer day.
12. The Pupil Admissions Team notifies parents by email where parents have applied on line, this will be followed up by a letter if the parent did not receive their preferred preference. The letter will contain the reasons for the decision and the right of appeal. Parents who submitted paper forms will not receive an e mail but a letter in the post. Where the place offered is at a voluntary aided or foundation school or an academy, this is done on behalf of the admission authority.
13. Together with the allocation notification, the Pupil Admissions Team explains the right of appeal to any parent who is not offered their preferred school. This includes how parents can obtain appeal information and on line application form. Own admission authorities are responsible for organising their own appeals, unless they have an agreement with WSCC Legal Services.
14. A waiting list will be set up for all schools and maintained by the Pupil Admissions Team until 1 September of the year of entry. The waiting list is actually ordered as places become available and parents will be offered a place in the correct order. Following that it will pass to schools that are their own admission authority to hold, for at least one term as required by the School Admissions Code or longer, as specified in their admission arrangements.
15. Schools must advise the Pupil Admissions Team of all leavers from all year groups immediately, so that places can be offered, after allocation until 1 September, when in-year admission processes apply.
