

Instructions for jam biscuits

Here is an easy recipe that your kids will love eating and making.

Ingredients

- 225g self raising flour
- 100g sugar
- 125g butter
- 1 egg
- 1 tablespoon of milk
- ½ teaspoon vanilla extract
- Jam

Equipment

- Food processor
- Baking tray
- Oven 200c

1. First, weigh out the ingredients
2. Mix sugar, butter and flour in a food processor, be careful though it has sharp blades!
3. Add an egg with milk and vanilla extract and slowly mix until you get dough

4. Take out the dough from the food processor and divide into 16 balls.

5. Put on trays then gently add the thumb print

6. Add the jam

7. Put in the oven for 15 mins

8. Enjoy your biscuits!
