	Weekly Task: Do you remember when we wrote narratives in the style of the Daydreamer by Ian McEwan? This week, we are doing a similar narrative about Peter falling into a daydream. This can be whatever you like, but if you are stuck, you could have a toy come to life at his house or go on a mountain adventure on the way to school. I would suggest you follow this structure for the week: Monday – plan; Tuesday – write the beginning; Wednesday – write the middle; Thursday – write the ending; Friday – edit. However, you could also choose to focus on only one part of the story, like the daydream itself.	Use the planning template with prompt questions to help you plan and the success criteria to remind you of the grammar to include. If you forget what any of the grammar means, check IXL, look it up online or use a word mat – just do your best! There is also the model we used in class (with colour-coded grammar) for inspiration (yours doesn’t have to be that long!), and an editing success criteria to help you edit. See resources on Monday. Mon - Writing - Daydreamer Model	20

Computing	Create a set of instructions, or an instructional video, for 'How to make a video call' to help people contact each other during lockdown. This could be via Facetime, WhatsApp, Skype, Zoom or any other app, or why challenge yourself to use Microsoft Teams (linked to your school email login and password). Extension: video call a class mate to say hello.	https://www.chesswood.w-sussex.sch.uk/page/?title=IT+Help&pid=460	20

Weekly Competition / Challenge

Part 1 - Where is the Maths?

To help us celebrate National Numeracy Day we need your photos! We want to make the best collages ever on Friday – showing where is the Maths. Think about things that you can get up to at home that involve Maths, for example measuring or timing when cooking, using a timer when brushing your teeth and counting out your pocket money.

There are loads more too. Send us a photo of you using real life Maths.

Part 2 – Dress as a Number

On Friday, dress up as a number. We'll make a collage of your number based clothing – be as creative and unique as possible!

Short photos/videos need to be sent to: ctv@chesswood.w-sussex.sch.uk and copy in Mr Gilbert (ngilbert@chesswood.w-sussex.sch.uk) and Mr Yelling (cyelling@chesswood.w-sussex.sch.uk) too.

Chesswood TV Challenge

Chesswood Junior School has got its own TV channel!

Entries for the challenge each week will need to be entered by Thursday at 8am, ready for release on Friday/Monday.

Short videos need to be sent to: ctv@chesswood.w-sussex.sch.uk and copy in your class teacher too.

We are so delighted to receive your entries - they look absolutely fantastic! To help us make sure we give you the credit that you deserve, please can you make sure you include your name and class in the subject of the email when sending your entries in. Please also use landscape orientation when filming where possible (filmed with the phone on its side). Thank you!

Weekly Challenge – Musical Maths! On Friday 15th May it's National Numeracy Day – we want to celebrate this in the best way possible! Come up with your own times table song – you can choose whichever table you want – film yourself performing it. For inspiration look at:

<https://www.chesswood.w-sussex.sch.uk/page/?title=Maths&pid=100>

Show us just how talented you are! Send a video clip (no longer than 60 seconds) or photos in to the email address above and you may appear on Chesswood TV! Your teachers are very excited to see these clips so please don't forget to share it with them too!

Keep track of the house points you earn over each day. Remember to let your teachers know what you have done – email photos or videos.
