History	Historic Worthing – Electricity was first generated in Worthing in 1901 on three steam-powered generators, however, it wasn't until 1913 that the first refrigerators for home use were invented. Victorians therefore needed to use up their fresh produce very quickly. As a market town, the people of Worthing has access to a lot of fruit, vegetables and fish. Your task for this week is to	Mon - History - Salmagundi Recipe	20

	either invent a recipe for a Victorian family (Make sure the ingredients you use were available in the Victorian times) or to have a go at making Salmagundi. You can adapt the recipe to choose ingredients which you prefer as long as you create it in a tea cup and it is essentially a salad.

Chesswood TV Challenge

Chesswood Junior School has got its own TV channel!

Entries for the challenge each week will need to be entered by Thursday at 8am, ready for release on Friday/Monday.

Short videos need to be sent to: ctv@chesswood.w-sussex.sch.uk and copy in your class teacher too.

We are so delighted to receive your entries - they look absolutely fantastic! To help us make sure we give you the credit that you deserve, please can you make sure you include your name and class in the subject of the email when sending your entries in. Please also use landscape orientation when filming where possible (filmed with the phone on its side). Thank you!

Weekly Challenge – Great CTV Bake Off! Have you got what it takes to take your parents’ kitchen by storm and send their taste buds absolutely wild? Cook a meal and show us the end result! Send a video clip (no longer than 60 seconds) or photos in to the email address above and you may appear on Chesswood TV! Your teachers are very excited to see these clips so please don’t forget to share it with them too!

Keep track of the house points you earn over each day. Remember to let your teachers know what you have done – email photos or videos.
