Some basic game playing knowledge and skills

Goal Side

When your team does not have possession of the ball all players should try and get back closer to their own goal than the ball. On the left diagram 3 Reds are in the incorrect place as they are ahead of the ball. On the right the Red have all **moved back and are in between the ball and their own goal**—this will make it harder for the Yellow team to score.

Marking

You need to be goal side of your opponent—**keep low** and **focus** on the ball

Communication

To show that you would like the ball you need to communicate with your teammates—you could **call their name, make eye contact or show target / W hands**.
