

Covid-19 Guide

What will school look like and how do I keep myself and others safe?

In the Classroom

You'll each have your own desk with a folder containing your learning for the week.

Don't forget to use your success criteria to help you.

All tables are 2 metres apart so you can keep 'social distancing' in class.
You will always stay at the same table and even when you're not at school that table will not be used by anyone else.
You will keep your bag under your table.

Sometimes your teacher might teach you through Teams and you'll be able to hear and see them even though they aren't in the room! There will always be another adult in the room with you.

Here is Mr Davis in 4OM teaching the class through Teams.

Here is Mr Davis in 4JD teaching the class

P.E. will take place in your zone and with your bubble and your teachers will lead the activities.

All of the classrooms have a sink so that you can wash your hands regularly.

When will you *need* to wash your hands?

- When you arrive at school
- Before and after break and lunch
 - Before you leave school
- After you sneeze or cough

Remember to wash your hands with soap for 20 seconds and dry them well!

Wash your hands with soap and water more often for 20 seconds

Palm to palm

The backs of hands

In between the fingers

The back of the fingers

The thumbs

The tips of the fingers

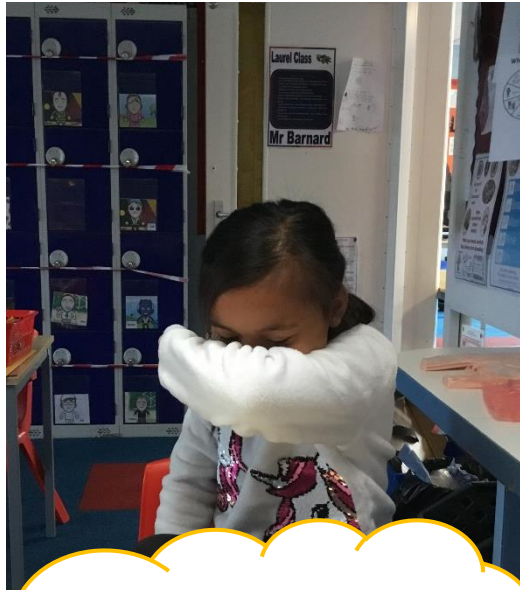

Singing happy birthday takes 20 seconds

Dream, Aspire, Achieve – Be Extraordinary

What if I need to sneeze or cough?

Always do your best to sneeze or cough into your elbow. If you have a tissue the best thing you can do is sneeze or cough into the tissue. Then you need to put the tissue in one of the orange bags in the classroom and then put that bag the bin. Don't forget to wash your hands with soap for 20 seconds after!

If you don't have a tissue, cough or sneeze into your elbow!

If you use a tissue you must then place the tissue into one of these orange bags:

Then you need to tie it up and then put it in the bin.

Don't forget to wash your hands!

Around the School

Around the school you will see arrows taped onto the floor, you **must** follow the direction of these arrows. You will also see lines taped to the floor. This is to show you how to keep 2 metres away from the person walking in front of you.

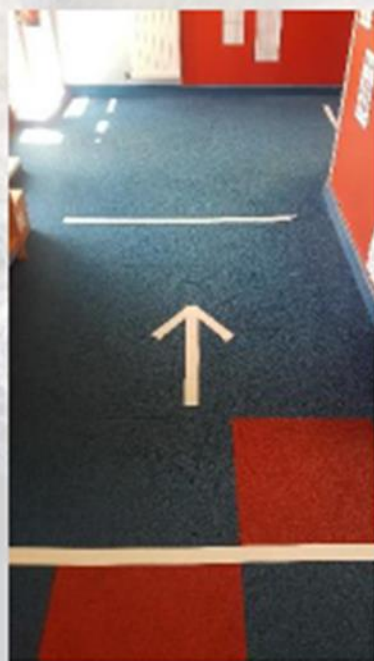

In the Year 5/6 building you must wait until there is no one using the stairs before using them yourself. If you are with a group, you must keep 2 metres apart.

Moving around school

- There will be minimal movement around school as you will use external doors to the playgrounds
- We will not be using shared areas – eg hall / music room etc
- Follow the one way system – where it exists
- Use the lines to keep 2m apart
- All doors will be kept open with door stops to minimise surfaces we have to touch
- Do not go past any 'no entry' signs

When you need to use the toilet, you must first ask your teachers, like you usually would. When you arrive outside of the toilet you need to call in to check if there is someone else in there. Only one person can use the toilet at a time. If there is someone in the toilets you must wait for them to come out before entering. If no one calls back then you are good to go in!

Is anyone in there?

First Aid

If you feel sick or have an injury you will need to tell an adult and they will take you to the Medical Room which is in the Year 4 area. An adult will put on PPE, this will keep both you and them safe as they help you and they will look like this....

Outside Play

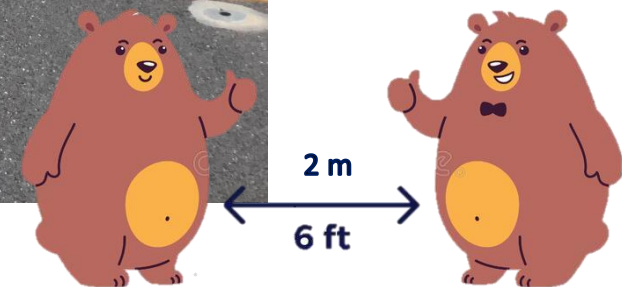

It's important to keep **2 metres** away from each other at all times, even when you're outside.

You'll have your own spaces marked out for you to play in and you can chat with and play non-contact games with your friends, remembering to always keep **2 metres** apart.

Sometimes you or others might forget to keep 2 metres so you can gently remind them *using your words...*

Excuse me,
you're too close.
Please remember
to keep 2 metres
away from each
other.

Who is here to support me?

The adults in your bubble will always be there to support you but let's look at who else is in school to support you!

Mr Jolley and Mr Himsworth are here!

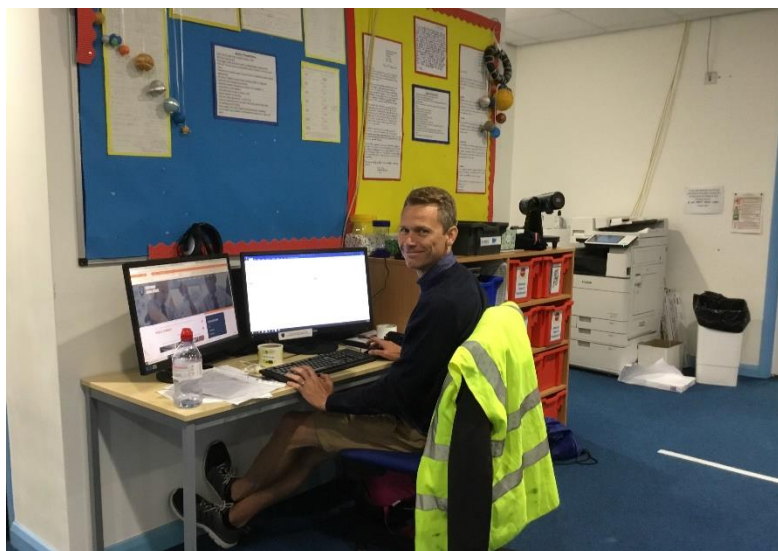

Your Year Leader will be in your Year Area:

Mr Gilbert is in the Year 3.

Miss Manger is in the Year 4.

Mr Yelling is in the Year 5.

Mrs Peace is in the Year 6.

Miss Oswald and Miss Main are in Bluebell...

Going Home

When it's time to go home you will wash your hands and then you will be called by your Year Leader when your adult is here to collect you. If you walk home by yourself then your Year Leader will already know and you can leave once they have told you that you can go.

If you have After School Club then you'll go to the New Hall.
