Bohunt Worthing Headteacher: Mr A Whitehead BSc (Hons)

September 2019

Dear Prospective Bohunt Family

BOHUNT WORTHING OPEN EVENING - THURSDAY 19 SEPTEMBER 2019 6.00 TO 9.00PM

I am really pleased to invite you and your family to our school's Open Evening on **Thursday 19 September 2019**, where you will be able to see our school in action and collect a Bohunt School Worthing prospectus. We are looking forward to introducing you to our dedicated staff, showing you our impressive learning environment, celebrating our first set of GCSE results with you and talking to you about our plans for September 2020.

Our open evenings are both exciting and informative; you and your family will have an access all areas pass to our whole site. You will be encouraged to participate in a host of interesting learning activities across the curriculum and will be treated to tasters of just some of our extracurricular opportunities. Our Open Evening will also provide the opportunity to ask those really important questions about issues such as pastoral care, secondary curriculum and learning, extra-curricular clubs and activities or special needs provision. You will also have the chance to meet and chat with our current students, who will provide an insight into what it truly feels like to be part of our community. You and your family will gain a full and true picture of the school and the progress we have made since opening; supporting you in making an informed choice regarding your future secondary school.

The school will be open from 6.00pm to 9.00pm and there will be presentations, including an address from the Headteacher (throughout the evening at 6.15pm, 7.00pm and 7.45pm). Experience tells us we are extremely busy during the middle of the evening, so if you would like to avoid the most congested time please consider coming either as we open at 6pm or after 7.30pm. We do not have on-site parking for the number of visitors expected, so if you are coming by car please park nearby, giving consideration to our neighbours, and walk to the entrance on the Broadwater Road or through the Queen Street Car Park. I very much hope you and your family are able to attend the Open Evening. I look forward to welcoming you to Bohunt School Worthing on **Thursday 19 September 2019**.

Over the following two weeks, you are also welcome to visit us for one of our **Open Mornings** – you will find this especially useful if you or your child were unable to attend one of our Y5 taster sessions in the summer term. Our Open Mornings run from **9:00 – 11:00** on **Monday 23 to Thursday 26 September** and also **Monday 30 September to Thursday 3 October 2019**, you can experience real lessons in action and benefit from seeing a normal school day. Please follow the link on our website to book a place: www.bohuntworthing.com/open-mornings you will need to complete the form with details of your name, email address and your child's name and current school.

If you require any special access arrangements for the evening or have any queries relating to this event or questions about the school please do not hesitate to contact us on the details above. I look forward to welcoming you into the Bohunt community.

Yours sincerely

Adam Whitehead BSc (Hons)

Headteacher

enjoy | respect | achieve

- Hear from the Head about current successes, as recognised in our recent Ofsted inspection, and future plans.
- Hear about the benefits of being part of the Bohunt Education Trust – a pioneering multi-academy trust, where the highest expectations, unparalleled opportunity and highly effective teaching combine to develop students who are 'game changers'.
- Learn about the exciting educational plans that include a varied enrichment programme, a rigorous academic curriculum and innovative teaching across STEM, languages and the arts.
- Have a go at hands-on activities and workshops, see our iPad scheme in action and hear about the great range of extracurricular clubs, trips and activities.
- Meet teaching staff and students from the school.
- Find out about Open Morning opportunities to visit us during the school day between Monday 23/9 and Thursday 3/10. This is by appointment only. Further details can be picked up on the night and a booking link found on our website in September.

Reasons to choose Bohunt Worthing:

We'll help you to settle in quickly:

Before you join us we will visit you at your Primary School and invite you to Bohunt Worthing to meet staff and students, find out where things are and try some fun lessons. You will make new friends at our Summer School and will quickly settle in due to the help you'll receive from your classmates, your tutor, your mentors (older students who will be around to answer questions) and all the other lovely people at Bohunt Worthing.

Something for everyone:

An expressive arts production every year for all year groups, science and maths competitions, brand new teaching and sports facilities, 121 iPad scheme for all, dance workshops with professional dancers, a vocal group, band, huge range of clubs, leadership opportunities, eco group, and lots of other stuff too. Learning experiences such as sailing, kayaking, gardening, bush craft skills as well as trips and residential are the starting points for our learners to engage in adventure based education, leading to the Duke of Edinburgh's Award and culminating in a range of big expedition opportunities.

Learning at Bohunt Worthing:

Our core purpose is to provide high quality learning and teaching as recognised by Ofsted 'Teachers use careful planning to interest and motivate pupils. Consequently pupils make strong progress.' We achieve this through engagement with the latest research and initiatives that have helped us develop our outstanding pastoral care, unique language offer, 3 year Key Stage 4 with 4 open options choices, iPad scheme and fantastic facilities. These along with exceptional experiences outside the classroom help our students to develop the skills and confidence to become leaders and game changers.

Amazing sports:

Have fun using our dance studio, huge sports hall, 3 court MUGA and playing fields. Play sport during PE, compete for your tutor group or house, take part in our extra-curricular programme, and play for a school team. Our teams compete against other schools in the full range of sports and have won regional competitions in football and athletics. We offer a huge variety of sports including professional basketball and cricket coaching, rugby, handball, tennis, volleyball, badminton, table tennis, hockey, gymnastics and dance to name a few.

See you at our Open Evening on Thursday 19 September
