**Year 6 Revision Guides**

Dear Parents

We would like to give you the option of purchasing revision guides to support your child with their home learning in the run up to SATs.

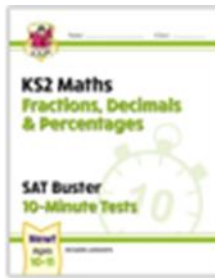

We will be covering the Year 6 curriculum over the year, but it may be that your child has a particular area that they would benefit from some further practice in. For some children, it can also help boost their confidence by providing them with additional practice in tackling test questions. Your child's teacher will be able to advise you further on which revision guides would be most useful at their parents' evening this week.

If you would like to purchase any of the Guides you can order them through SchoolsBuddy or by completing the attached order form and returning it to the school office by **Friday 31<sup>st</sup> January**. No further books can be ordered through the school after this date.

Yours sincerely

**Jo Peace**  
**Head of Year 6**
