### WSSA Upper School Indoor Athletics Cup Final:

Sometimes you just get that feeling that things are going to go your way, then a spanner gets thrown in the works, but school spirit brings you through.

The Indoor Athletics Cup Final is one of the biggest events of the school sporting calendar and from the very first race our team was on top form – winning 3 out of the first 4 obstacle races – things appeared to be going well.

Into the field events and our technique and ability was shining with strong performances in all the jumping event.

Running races to finish the event – the desire, pride and passion was flowing through all the athletes, this was never more evident than in Cameron G’s reaction after winning a tight race in the 1+1 relay over Thomas A Becket.

It was a tense wait for the results as we knew 2 schools were fighting it out for victory, as the results were announced with Broadwater 4<sup>th</sup> and Vale 3<sup>rd</sup> it was between us and TAB for the title. By 20 points we WON this competition for the first time in the 41-year history of the event – AN AMAZING RESULT!!!
