2. Scooter Storage – All – Action

Please ensure when storing a bicycle or scooter on the school premises that it is locked. Although theft of bikes or scooters is exceptionally rare and never during the school opening hours, children can be absent minded and just collect a scooter or bike that looks vaguely similar – there are, after all, other things to think about! One of the best locks we have seen for scooters is pictured below – they can be purchased online for £19.99
