Over the past few months Sussex Police have been receiving numerous calls relating to issues taking place in **Homefield Park**, Worthing.

These issues are related to Anti-Social Behaviour in and around the skate park located in Homefield Park along with drug dealing and drug taking within the park and the local area.

Sussex Police have been working closely with Worthing County Council, Friends of Homefield Park and local agencies within the vicinity of Homefield. By working with these different agencies we are hoping to tackle these issues from different angles.

We want members of the public to feel safe when visiting the park and for the park to be used by the community on a regular basis.

If you do witness any suspicious act in the park and around the skate park **please contact us on 101** or report online at: <http://socsi.in/Tt7oC>.

Worthing County Council can also assist with the ongoing issues taking place in Homefield Park such as tackling anti-social behaviour, cleaning up drug paraphernalia and offensive graffiti as well as give out fines for low level offences being caused in the park.

For more information please visit: www.adur-worthing.gov.uk/anti-social-behaviour/ or email: safer.communities@adur-worthing.gov.uk

The issues at Homefield Park has been an ongoing issue for the past few months, however due to the decrease in number of reports made to Sussex Police in recent months Homefield park is has been downgraded and is not currently a priority. However it is still an area of interest.
