1. Road Safety – All –Action

We received a concern from a member of staff this week that a Chesswood pupil ran carelessly across Ladydell Road. We have discussed Road Safety this week in assembly, but we encourage parents to also talk about road safety at home. The following hyperlink is a good place to start when considering the consequences of being silly near roads:

5. Sports News – All – Information

Y5/6 Worthing Schools Basketball:

Due to the very high demand of pupils wanting to take part, we took 2 teams to the tournament at Davison against 6 other schools – the only school to do so.

Both teams played some fantastic basketball - the Blue team with Enzo, George K, Thomas M, Olanna, Elsie, Macy and (Mr Link's player of the day) Alex G managed a third place finish in their league (but only on points difference) as their group was very close, eventually finished 6th overall in the event.

The Red team lead by Lyle C went unbeaten in their group with wins over Durrington, Bramber and Goring went through to the semi-finals as group winners. In the semi-finals they played English Martyrs, the game was close and was a draw at full time so went to golden basket. Very quickly after the re-start, we managed to score putting us into the final against TAB.

In the final it was an incredibly competitive match TAB took an early lead before excellent teamwork got our players back into the game and then to take the lead eventually winning 8-4.

Red team: Lyle C, Lianne, Katie S, Miriam, Oscar M, Thomas T and Ashauni S.

Year 3 Football League:

This was the first competitive outing for the team for Chesswood.

First week of the league started with 2 games for Y3 – a draw with Elm Grove and a loss to a strong TAB side.

Team: Mason F, Kaspian K, Sid H, Jamie F, Ben D and Zach S.

Southern Area Indoor Athletics Finals:

With the best eight schools in the area (Littlehampton to Shoreham) coming together to battle it out for a place in the Sussex Finals – hopes were high we could be returning to the event again this year.

The event started strongly for us with great performances in the obstacle relays and speed bounce events. A solid field events section put us in a good place for the final running races.

After all the events were completed we were runners-up to TAB only 16 points behind them but 87 points ahead of 3rd placed Eastbrook school.
