Dear Parent,

We have been a little too ambitious in wanting to send individual communications to all families with regard to their classes next year – this ambition and a few technical hitches have delayed our communication this year. All families should have received an email with a personal letter this evening. To ensure you have the essential class information we are also sending this letter.

The table below details teacher arrangements and class location for the forthcoming academic year, 2020-2021. A plan on the reverse of this letter identifies the location of class bases noted in the table below.

A small number (16) children have been allocated to 6EP from a range of Y5 classes, all parents of children allocated to 6EP have been notified in recent weeks. If we have not been in contact with you your child will not be in 6EP.

We recognise children (and parents!) can have a wide range of emotions relating to class arrangements in the next academic year and this year they will, almost certainly be multiplied hence our attempt at sending the photos of school staff in the bespoke letter. The table below sets out the activities we have planned for the internal transition day tomorrow. Please accept my sincere apologies that you have not had this earlier – I can assure families this has not be for the lack of trying.

## DREAM – ASPIRE - ACHIEVE

Focus	Activity
Getting to know your teacher	Teachers will be posting a video introducing themselves on the school website – directions on how to access these will be placed on the home-learning pages and shared with those children in school.
Bright Sparks	Children will revisit our Bright Sparks Code of Conduct. Looking at the key points and how they relate to life at Chesswood. An art activity will be set – designing letters for a class Bright Sparks display.
Getting to know you - Postcard Activity & ACRO Skills	Children will be completing an 'All About Me' postcard, introducing themselves to their teachers. This will include sharing their strengths and weaknesses within the school's ACRO skills - Attitude, Creativity, Relationship, Organisation. Work from the day will be shared on the new class website pages.

## Year 3 and 4 Main Building

### Year 5 Ground Floor – Upper School Building

### Year 6 First Floor – Upper School Building

Yours sincerely,
