

Postcards about you!

We are going to share some things about us and what we enjoy by writing and illustrating a postcard.

Draw a quick self-portrait.

Dear class,

I am really looking forward to joining this class and getting to be back to school with my classmates. My favourite subjects are PE, music (especially singing), maths and geography.

I usually join in with any sporting clubs but I also really like cooking. I really want to try to get into sewing club if I can.

While I always try to be the best I can be, I do sometimes need help with my handwriting (it is hard to hold a pen in my paws) and ideas to start my writing.

Outside of school, I love going for long walks as well as eating and drinking with my pals. I don't currently go to any clubs.

My main aim for this school year is to develop my confidence and independence.
