Dear Mr Yelling and Mr A Rinstall

My favorite subjects are Maths, PE and music. I dislike English and spelling but I still try hard.

My Grandad is dead, my Mum and Dad split up when I was about 2. I get to see my dad every other weekend though. I have a half sister that's around 12 and she's having a baby. My Grandma Grandma lives in Brighton.

I am bad at spelling. I'm not going to do any clubs apart from After School Club. I like Pokemon, Youtube and most other things on screens. I also love reading fiction and fiction things. That's about it!

Yours sincerely Ziggy McConbridge
