

Dear Mrs Morikawa and Mr Hicks

My favourite subjects are music and PE because I like playing the guitar and doing gymnastics. I go to recorder club and choir clubs as well. I struggle with English and spelling. My interest out of school are playing football, tennis and badminton. I want you to know that I had a hamster called Lilly and a other hamster called bob and one other pet I had was a rabbit called biscuit but sadly they all died a year ago.

Dear Mrs Hamilton and Mr Hides,

I am really looking forward to come back in September because I get to see my friends and my new teachers. Well think of new teachers because Mrs Hamilton is not new to me but you are Mr Hides. My favourite subjects are D.T, Computing and anything creative like sewing and painting and more stuff like that. My goal is to be more independent at school and at home.

I need some help with my times tables and some English work I want to write more on I hoped you like this letter and I am so excited ~~to~~ to come back to school.
