## 2018-19 Summer Awards

### 1. Introduction

Celebrating a wide range of achievements and accomplishments is a key part of promoting success and motivating children to ever higher performance. We recognise that all children possess different strengths and qualities that will guide them on their journey. Our awards and certificates seek to recognise academic and pastoral performance and qualities. Recognition is intended to support all children therefore we focus on both attainment and progress within the award system.

This booklet sets out the award winners and in some cases those nominated for the most recent academic year.

We very much hope you enjoy celebrating the genuine fantastic effort and achievements of so many children at Chesswood Junior School.
