Ladydell Road Drop Off and Collection

Dear Parent,

Please do not enter, stop, park or turn around in Ladydell Road in any car that you are driving or are a passenger in:

	After	Until
Morning Drop Off	8:15 a.m.	9:00 a.m.
Afternoon Collection	2:50 p.m.	3:40 p.m.

Following a number of concerns being raised in relation to the safety of children in Ladydell road when parents drive in and turn around at drop off and collection times we are again asking that parents do not drive into the road in the morning or afternoon. The only cars that should be in the road are those of residents and staff that have an allocated car parking space.

To improve the safety of the children and families using the Ladydell road entrance we will now have a member of staff placed at the end of the road, wherever we have the capacity, to prevent any drop off or collection before or after school.

We understand this may cause a small number of families some inconvenience and frustration but, on balance, we believe the benefits to the safety and welfare of all children outweigh the personal inconvenience this may cause for some. As we are working with staggered starts and finishes the number of vehicles in surrounding roads is notably lower than normal and there were many parking spaces available within 100m of the Ladydell Road cul de sac this morning.

We would ask for the co-operation of all families in this regard whether there is a member of staff preventing entry into the road or not.

Yours sincerely,

A handwritten signature in blue ink, reading "Andrew Jolley".
