

WALT: retrieve information from a text.

	I can draw conclusions about a text. I can find and answer questions about a text.	
	I can find accurate information in the text to answer questions.	
	I can work as a group to discuss and retrieve information about a text.	

Dear Steph,

Mum told me you broke your arm. She said you were bouncing on your bed and then you fell off. I hope it doesn't hurt too much. I broke my arm last year when I fell out of a tree. I got a green cast. What colour is yours? I miss you at school — it is boring sitting at a desk on my own. I hope you get well soon.

From Hannah

Who told Hannah about Steph's arm? Circle your answer.

Hannah's mum

Steph's mum

Steph

How did Steph break her arm?

.....

What colour was Hannah's cast?

.....

Why does Hannah want Steph to come back to school?

.....

Can you write a reply from Hannah to Steph
