

## Chesswood Road Main Entrance Ladydell Road Entrance – Park and Stride

- We ask all parents to recognise that parking at or very near < 100m to the school entrance is unrealistic and increases road safety risks for children.
- PLEASE get into the habit of finding a space 100m + away from the school gate. Enjoy a brief walk with your child. Select the yellow and amber zones wherever possible.
- It is possible to park both North and South of the trainline when using the Ladydell Road Entrance
- PLEASE do not enter, stop, park or turn in the Ladydell Road Cul De Sac at drop off or collection time – it is legal for you to do so but significantly increases risks to children when you do.
