

Chesswood Road Main Entrance NO STOPPING OR PARKING ZONES – WHITE AND YELLOW ZIG ZAGS

- At collection and drop off time, please ensure no part of a car you are driving or travelling in stops or parks on the white or yellow zig zag lines.
- Stopping or parking in the **red zones** presents a **VERY HIGH RISK TO CHILDREN AND IS ILLEGAL**
- Stopping or parking in the **amber zone** presents a risk to children and **is illegal**.
- Parking or stopping near the crossing distracts other drivers away from children crossing trying to avoid your car – we frequently see near misses and cars missing red lights because of stopped and parked cars – including when they move back into the traffic flow.
