

# GUIDANCE FOR USE OF FACE COVERINGS IN SCHOOL

We are seeking to respond in a reasoned and reasonable way to the COVID circumstances. The table below sets out expectations for different groups in different whole school COVID conditions.

Wherever the expectations indicate a mask is needed we would expect ALL to follow the request unless there is an exceptional reason why not. Staff may remind visitors to wear a face mask – if medically exempt, please confirm that with staff at the time. You will NOT be asked why you are exempt.
