

Lesson 1

WALT: change the suffix of words ending in 'y'

Words that end in 'y' have different rules when we change the tense or turn them into a plural. We can do this by changing the suffix.

Watch the BBC bitesize video "What are suffixes?"

If a word ends in y and the letter before is a consonant:

DROP THE Y AND ADD 'IES'

cry = cries

try = tries

carry = carries

fly = flies

baby = babies

spy = spies

We may also use the suffixes '-ed', '-er' and '-est'. When this happens we DROP THE Y AND ADD AN I

copy = copied

copy = copier

happy = happier

reply = replied

We can also add '-ing'. We must keep the 'y' so we don't have a double 'i'.

copying

replying

flying

Task - Write each of your spelling words at least three times. If you are unsure of what a word means, use the definitions sheet to help you.

flies
tries
copies
copying
replying
crying
copied
replied
happiest
happier

Have a go at this Word wall game when you are finished!

Lesson 2.

flies, tries, copies, copying, replying, crying,
copied, replied, happiest, happier

Use TIC TAC TOE activities to practice the spellings you are unsure of. This will help you practice until you are confident.

Other Handed

First write your spelling words the way you usually do it.
Then, try writing the list with your other hand!

If you are now confident with your spellings have a go at this...

Write a multi clause sentence which includes a spelling word, a coordinating conjunction (FANBOYS) and an expanded noun phrase.

Write a multi clause sentence which includes a spelling word, a coordinating conjunction (FANBOYS).

For example: Earlier, I was crying but my mum bought me a
delicious, vanilla ice cream.

Task 3

science, scene, discipline, fascinate
crescent, describe, scissors, scent,
muscle, ascend

Spelling Assessment

Ask someone to test you on your spellings. Try to remember what you have learnt about the spelling of the phoneme.

When marking, highlight any mistakes and work out where the tricky parts are for you and write them out again three times to help your muscle memory.
