

Friday 15th January 2021 - Spelling Test

It would be brilliant if an adult at home could test you on your spellings on Friday 15th January.

Just like we do in school, if they could read you the word, put it into a sentence and then repeat the word again. You can then take a few seconds to write the word carefully before moving on.

For example:

1) 'Frequent'. We have frequent spelling tests at school. The word is 'Frequent'.

frequent

obedient

independent

obedience

confident

innocence

decent

frequency

independence

confidence
