prefix	root word	prefix + root word
dis-	connect	disconnect
mis-	take	mistake
un-	cover	uncover

dis- means 'not' or 'the opposite'

e.g. disagree = to **not** agree

mis- means 'wrong' or 'false'

e.g. misbehave = behave badly/do something **wrong**

in- means 'not'

e.g. inactive = **not** active

Task 1 - match the correct prefix to the root word

mis	appoint
mis	agree
mis	obey
in	honest
dis	behave
dis	lead
in	spell
dis	active
in	correct
dis	accurate

Task 2 - practise your spellings

If you're struggling with these spellings, practise them by completing these activities for each of your spelling words:

Graffiti wall

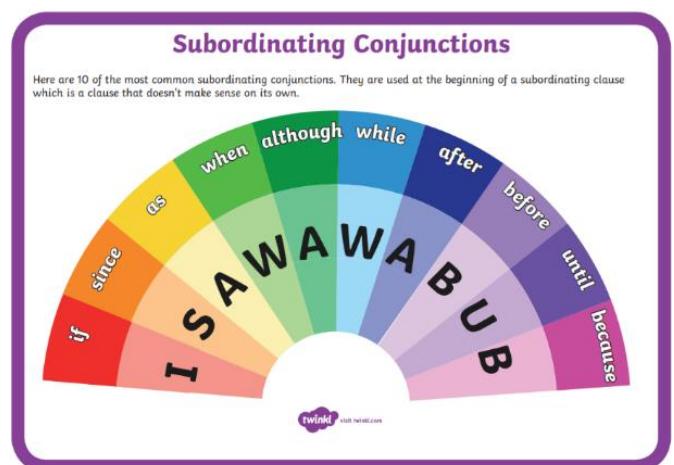

Create a graffiti wall, inspired by graffiti artists, draw your target words again and again across a page to create the artwork.

Colourful words

Use two different colours to write your words- one for vowels another for consonants then write them all in one colour.

If you're confident with your spellings, complete these activities for each of your spelling words:

Write a multi clause sentence which includes a spelling word and a subordinating conjunction (ISAWAWABUB).

If you can, ask someone to test you on your spelling words and continue to practise the ones you got wrong. You get 1 HP for each correctly spelt word!
